

Technical Datasheet

Venus V-2910 SLV

Convex Double Shell Style

VENUS V-2910 SLV

CLASS: FFP1 NR D

Protection: Solid Dust/ Mist

M.U.L: Upto 4 x OEL

Exhalation Vent Valve

Nose Liner

Item #	Colour	Elastic	Packaging
110261701	WHITE	SEWN	Pack of 10

Technical Specifications:

- **Class:** FFP1 NR D CE
- **Protection:** Solid Dust / Mist (Multi-use up to 4X OEL)
- **Exhalation Vent:** Yes
- **Nose Liner:** Yes
- **Color:** White
- **Elastic Type:** Sewn
- **Packing:** Pack of 10

Features of Venus V-2910 SLV

- 1. Certified Filtration Efficiency (FFP1 NR D CE):** The respirator is FFP1 NR D CE certified, ensuring protection against solid dust and mist.
- 2. Multi-Use Capability (Up to 4X OEL):** Designed for multiple uses up to 4X the Occupational Exposure Limit (OEL) before needing replacement.
- 3. Exhalation Valve for Easier Breathing:** The mask includes an exhalation vent valve that allows warm, humid air to escape.
- 4. Nose Liner for Enhanced Comfort:** Equipped with a soft nose liner to provide extra cushioning.
- 5. Sewn Elastic Straps for Secure Fit:** The elastic bands are sewn instead of stapled, making them more durable.

Benefits of Venus V-2910 SLV

- 1. Certified Filtration Efficiency (FFP1 NR D CE):** Provides reliable respiratory protection in environments with low-to-moderate levels of airborne particulates, helping prevent inhalation of hazardous dust.
- 2. Multi-Use Capability (Up to 4X OEL):** Reduces costs associated with frequent mask replacements, making it economical while still ensuring safety.
- 3. Exhalation Valve for Easier Breathing:** Reduces heat and moisture buildup inside the mask, making it more comfortable for long-duration wear, especially in hot and humid environments.
- 4. Nose Liner for Enhanced Comfort:** Minimizes pressure on the nose bridge, prevents irritation, and ensures a comfortable fit for prolonged use.
- 5. Sewn Elastic Straps for Secure Fit:** Ensures a snug and secure fit, preventing gaps where unfiltered air could enter, enhancing overall protection.

Applications of Venus V-2910 SLV:

- 1. Automobile:** Powder coating, Oil spraying
- 2. Ceramics:** Material mixing
- 3. Pharmaceuticals:** Bulk drugs, material handling
- 4. Construction:** Sanding, drilling, cutting
- 5. Engineering:** Sand blasting, buffing, powder coating, cutting
- 6. Mining:** Drilling, material handling
- 7. Textiles:** Spinning, weaving
- 8. Cement:** Crushing, bagging, cement handling
- 9. Construction:** Sanding, Drilling, Cutting
- 10. Tyre:** Carbon black
